### **Household Hazardous Waste Collection Planned for Gloucester Residents**

Gloucester residents have the opportunity to safely dispose of household cleaning products, garden fertilizers, weed killers and pesticides, automotive solvents and antifreeze, paint, batteries and lightbulbs at a Household Hazardous Waste Collection Day scheduled for Saturday, April 21, 2018. The event will be held at Waste Management's Middle Peninsula Landfill located at 12885 George Washington Highway (Rt. 17 North) from 9:00 to 3 p.m.

In addition, electronics and computers will be accepted. Please note that the event is available only to Gloucester residents. Two collections are planned annually with the fall Household Hazardous Waste Collection scheduled for October 2018 at the Guinea Road Convenience Center. For more information contact the Clean Community Office at 693-5370.
