Gloucester Beach Cleanup for International Coastal Cleanup Day

On Saturday morning, September 14, Gloucester Clean Community will lead a cleanup at Gloucester Point Beach in tandem with organizations all over the world to recognize International Coastal Cleanup Day and World Cleanup Day. The rising tide of marine debris threatens human health, wildlife, communities, and economies around the world. The International Coastal Cleanup is the world's largest volunteer effort on behalf of ocean and waterway health.

Join us to help clean our waterway AND collect data about what we clean up...we will need volunteers for both cleanup duty and for clipboard trash-tally duty. PLEASE SIGN UP ONLINE AT: <https://tinyurl.com/yx1k4vbe>

Bring your own gloves, drinks, and snacks, and dress appropriately for the beach and weather conditions. Check-in begins at 8:45 a.m.

Clean Community will provide grabbers, buckets, bags, clipboards, data sheets, and writing utensils. Questions? Contact the Clean Community office at cleancommunity@gloucesterva.info or 804-693-5370. If you cannot sign up online, please call, so we know how many to expect.

END
