RE: Christmas Tree Collection

Gloucester County residents are encouraged to bring their live Christmas trees to any Gloucester County convenience center and place it in the appropriate bin for recycling. The holiday collection period will begin December 27, 2015 and continue through January 31, 2016. Please remove all decorations so that the tree can then be chipped into mulch.

Mulch is free to Gloucester County residents and will be available at the Middle Peninsula Landfill and Recycling Center located at 3714 Waste Management Way. Please call 693-5884 to check on availability of mulch.
