Connect & Get Involved!

Are you connected yet? If you are involved in a non-profit organization, or just want to be kept updated and informed about Gloucester's community services, events and programs then get connected through **CommunityConnections**, an interactive online website service. **CommunityConnections** is designed for users to enter information and resources to be shared with others such as the Beeline community calendar; weekly Town Crier for announcements; publicity for volunteer needs and volunteer opportunities; non-profit employment opportunities; grants and funding sources; and news and links of interest. Those interested in receiving monthly notification messages about **CommunityConnections** need only to subscribe to the service or may visit the **CommunityConnections** website anytime for current information and resources.

Volunteer Opportunities: Currently there are over 25 opportunities for adults and youth to make a meaningful difference in Gloucester through community service! Visit the **CommunityConnections** website under "Volunteers" to review opportunities or to submit one for your organization.

This web-based service is provided through the Gloucester Department of Community Education.
