## **Gloucester County Comprehensive Plan Survey**

At the Planning Commission's request, The Planning and Zoning Department is conducting a survey through [SpeakUp Gloucester](#) to receive public opinion prior to completion of the Comprehensive Plan. This survey is similar to the 2006 Citizen Survey and 2010 Public Meeting Survey, which were utilized during the development of the Comprehensive Plan and can be found on the Planning and Zoning [Comprehensive Plan Update Website](#). The current survey is intended to determine any changes in public opinion since the 2006 and 2010 surveys and the results will be used to advise the Planning Commission prior to finalizing the draft for review and vote by the Board of Supervisors. The survey will be available on the SpeakUp Gloucester website from October 7 until November 6.
