

Gloucester County Parks, Recreation and Tourism has engaged the services of GreenPlay, LLC, a nationally renowned park and recreation consulting firm, to help conduct a needs assessment for the Department. The intent of this assessment is to identify our community's parks and recreation needs so we can proactively plan for the future. We need your help; please attend a meeting or send a representative from your organization.

As a component of the planning process, GreenPlay is conducting a series of focus group meetings with community leaders and residents. We invite you to participate in one of these focus groups. The meetings will consist of approximately 15-18 participants and may last up to 90 minutes. GreenPlay will ask participants a variety of questions to assess the parks, recreation and open space needs of the community, and determine any issues for addition to the assessment. With a focus group, there are never wrong answers, so everybody is encouraged to be open and freely express their thoughts.

For your convenience there are multiple meetings, you need only attend one. Times and locations are available on a first come first serve basis.

Monday, November 30, 2015
Gloucester Public Library, Community Room
11:00 am-12:30 pm
2:00-3:30 pm
7:00-8:30 pm

Tuesday, December 1, 2015
