Holiday Wishes and Gifts Launched

Have you grown tired of the over-commercialization of the holiday season? Would you like to find an alternative to buying too many gifts for people who have too many things and maxing out your credit card? The Gloucester Resources Council has an alternative. Too many in our community will go without this holiday season. With just a few minutes of your time you can quickly find out the many “holiday wishes” for needed “gifts” by visiting the 2014 Holiday Wishes and Gifts website at gloucesterva.info/wishesandgifts.

The website features many non-profit helping groups in Gloucester who are listing their holiday wishes, or needs, so that they may assist those needing some assistance during the holidays and at other times throughout the year. As an alternative, or in addition, to buying gifts for your family or friends, consider the gift of giving to others less fortunate.

The Holiday Wishes & Gifts listing provides many ideas and opportunities for individuals, families, faith-based groups, community organizations and businesses to help. Please take just a moment of your time to review the “wishes” and offer your “gifts.” Your giving will mean the world to others!
