FOR IMMEDIATE RELEASE

Clean Community Committee Plans Fall Roadside Cleanup

Plans are underway for a fall roadside cleanup in Gloucester County on Saturday September 24, 2016. The cleanup will run from 9 a.m. to noon. In case of inclement weather, the event will be held on the following Saturday, October 1. Groups and individuals may collect clean up supplies in the parking lot of County Office Building 1, located at 6467 Main Street. Suggestions for locations needing litter pickup will be available, but participants may also clean areas of their own choosing.

Ralph "Buzz" Perkins, Chair of the Clean Community Committee of Gloucester County, would like to invite other Gloucester organizations and residents to help make this a 'Fall Cleaning' event. "We want to show a beautiful county to the visitors that come to visit Gloucester as the colors of the season arrive."

The Church of Latter-day Saints and Providence Baptist Church will be participating in the cleanup. Individuals and groups that wish to participate may sign up by contacting Rene' Moring at rmoring@gloucesterva.info or 693-5370. Please register by September 21st to ensure supplies are available.
