

We are pleased to invite you to attend the Peninsula Council for Workforce Development's Summer 2015 Opportunity Fair!

The purpose of this event is to connect you, the employer, with potential employees—Peninsula's emerging workforce, ages 13 - 24. The Summer Opportunity Fair is a career exploration event designed to expose our youth to the many employment opportunities available to them throughout Virginia. Youth will be encouraged to bring their resumes, transcripts and portfolios to share with employers for feedback.

We need businesses to set-up tables and provide volunteers to conduct mock interviews. We are also actively seeking colleges and universities to participate in the Summer Opportunity Fair so that students interested in pursuing post-secondary degrees and certificates have the opportunity to explore the many programs available. Our Summer Opportunity Fair registration form is attached and can be returned by fax or email.

Thank you in advance!
