Basics of Investing

Basics of Investing is an informative seminar that covers an array of topics that range from the basic tips of stocks and bonds to developing your own personalized programs for pre-retirement, college funding, income producing investments, tax advantage investing or ways to avoid estate taxed.

The class will be offered in three-night sessions. The February class session is planned for February 19th, 21st and 26th. The March class session is planned for March 5th, 7th and 12th. All classes will be conducted from 6:30-8:30 p.m. at Botetourt Elementary School. There will be interactive participation, guidelines for you to determine your best path for investing, and nuts and bolts of financial markets. The cost is \$8 per person for the workbook.

Registration is limited and participants should register a week before the start dates by contacting the Gloucester Department of Community Education at 693-5730 or to awallace@gloucesterva.info.
