BRIEF TRAFFIC STOPS SCHEDULED FOR GEORGE P. COLEMAN MEMORIAL BRIDGE

Motorists should expect minor delays on Wednesday, April 17
YORK COUNTY -Virginia Department of Transportation (VDOT) bridge
maintenance crews have scheduled multiple traffic stops at the George
P. Coleman Memorial Bridge (Route 17) for Wednesday, Apr. 17, 2013,
between 10 a.m. and 12 p.m. There will be three brief traffic stops in
both the northbound and southbound directions of the bridge for up to
10 minutes each during this timeframe. Maritime traffic will not
impacted.

The traffic stops are necessary to allow crews to perform routine
maintenance that includes greasing bridge mechanisms.
These scheduled maintenance activities are weather dependent, and VDOT
will announce any changes to the proposed schedule as they occur. VDOT
attempts to schedule maintenance during travel periods when traffic
volumes are lower, to reduce impact to motorists.
Motorists are encouraged to visit
