SENIOR AND ELECTED OFFICIALS WORKSHOP FOR ALL HAZARDS PREPAREDNESS

The Texas Engineering Extension Service and the Gloucester Department of Emergency Management are sponsoring a workshop for All Hazards Preparedness for senior and elected officials in the region. The training will be held at the Dominion Virginia Power Office, 6104 Fiddlers Green Road, Gloucester, Virginia on January 30, 2014, from 9:00 a.m. to 4:00 p.m. The purpose of this training is to provide a forum to discuss strategic and executive level issues related to disaster preparedness. Participants will include three or more of the Gloucester Board of Supervisors in addition to other senior and elected officials from across the region. For more information, contact the Department of Emergency Management at 804-693-1390.
