**PF&A Design Peninsula Office has Relocated!**

NORFOLK, VIRGINIA: We are pleased to announce our peninsula office's move to Gloucester, Virginia. While our firm is centrally located in Norfolk, our office on the peninsula allows us to represent a greater number of clients throughout Virginia and the surrounding states. The Gloucester location will be managed by Lynne Manning, an interior designer with over 36 years of experience and an Associate at PF&A. We are very excited to join Gloucester's dynamic community!

Established in 1988, PF&A Design is a Mid-Atlantic, nationally recognized award-winning architectural, planning and interior design firm. PF&A specializes in healthcare, including hospitals, dental, mental health/ICF-MR, and outpatient facilities. PF&A provides services to the Private Sector, Veterans Affairs, State and Local Agencies, and Corporate Clients along the entire East Coast.

Our firm strives to provide a high quality and functional project that meets the Owners' needs and objectives, as client satisfaction is the ultimate goal of the firm.

For more information about PF&A Design, please call (757) 471-0537.
