MINING SURVEY COMPLETION REQUEST

Dear Property Owner or Agent:

Pursuant to Virginia Law 58.1-3286 all minerals being mined (under development) or not being mined (not under development) are subject to local real estate tax. Minerals are required to be assessed at 100% of fair market value.

The Gloucester County Assessor's Office is requesting that you or the mining company complete the enclosed mining survey under the requirements of Title 58.1-3294 Code of Virginia for the above referenced property for the 2021 assessment. Please provide the mining information for the most recently completed 12-month audited period. You are required to furnish this information under Virginia Code § 58.1-3294. All information provided is kept confidential under Virginia Code § 58.1-3.

Please return the information by **December 7, 2020**. Thank you for your assistance and cooperation.

Sincerely,

Real Estate Assessment Dept.

Gloucester County, VA
