#### Clean Gloucester Day Set for October 12

Fall 2019 Clean Gloucester Day will be held Saturday, October 12. Let's get our county tidied up before the cold days of winter! Citizens can now sign up online to register their Clean Gloucester Day groups: <https://tinyurl.com/CGDay2019>.

The Gloucester Clean Community office provides bags, buckets, grabbers, and safety vests for this event. Via the online signup form, you may choose to pick up your supplies at the Main Street Library staging area, or at the Clean Community Office October 8<sup>th</sup>-11<sup>th</sup>.

Questions? Contact Clean Community Coordinator Elisabeth Wilkins at [cleancommunity@gloucesterva.info](mailto:cleancommunity@gloucesterva.info) or 804-693-5370. If you cannot sign up online, give us a phone call and we can do it for you.
