## SAFER AT HOME: PHASE TWO GUIDELINES FOR ALL BUSINESS SECTORS

### PHYSICAL DISTANCING BEST PRACTICES:

- ✓ Establish policies and practices for physical distancing between co-workers and between members of the public. (See sector-specific guidelines below for more detailed information on public engagement.)
- ✓ Provide clear communication and signage for physical distancing in areas where individuals may congregate, especially at entrances, in seating areas, and in check-out lines.
- ✓ Limit the occupancy of physical spaces to ensure that adequate physical distancing may be maintained. (See sector-specific guidelines for more detailed information.)
- ✓ Encourage telework whenever possible.
- ✓ For those businesses where telework is not feasible, temporarily move or stagger workstations to ensure six feet of separation between co-workers and between members of the public.
- ✓ Limit in-person work-related gatherings, including conferences, trade shows, and trainings.
- ✓ When in-person meetings need to occur, keep meetings as short as possible, limit the number of employees in attendance, and use physical distancing practices.
