The PPP Loan Deadline Gets a Last-Minute Extension

**A last-minute extension means small businesses
have until August 8 to apply for Paycheck Protection Program funds**

The Senate and House approved the extension late yesterday afternoon, which means it now goes to the White House where it is expected to be signed.

There are a few modifications to the program that have recently been proposed, including:

- the ability to apply for a 2nd PPP loan
- uncoupling of the EIDL advance and PPP forgiveness
- an automatic forgiveness of PPP loans that are \$150,000 or less

guidelines.

PHYSICAL DISTANCING BEST PRACTICES:

- ✓ Establish policies and practices for maintaining appropriate physical distance between persons not living in the same household. Maintain at least ten feet of distance for establishments where exercise activities, singing, or cheering is performed, and at least six feet of distance for all other settings. (See sector-specific guidelines below for more detailed information on public engagement.)
- ✓ Provide clear communication and signage for physical distancing in areas where individuals may congregate, especially at entrances, in seating areas, and in check-out lines.
- ✓ Limit the occupancy of physical spaces to ensure that adequate physical distancing may be maintained. (See sector-specific guidelines for more detailed information.)
- ✓ Encourage telework whenever possible.
- ✓ For those businesses where telework is not feasible, temporarily move or stagger workstations to ensure six feet of separation between co-workers and between members of the public.
- ✓ Limit in-person work-related gatherings, including conferences, trade shows, and trainings.
- ✓ When in-person meetings need to occur, keep meetings as short as possible, limit the number of employees in attendance, and use physical distancing practices.
